**LEGISLATIVE COUNSEL'S DIGEST**

SB 760, as introduced, Alquist. Donahoe Higher Education Act.

Existing law, known as the Donahoe Higher Education Act, sets forth, among other things, the missions and functions of California's public and independent segments of higher education, and their respective institutions of higher education. Provisions of the act apply to the University of California only to the extent that the Regents of the University of California, by appropriate resolution, act to make a provision applicable. Among other things, the act identifies common educational missions shared by educational institutions in California, and differentiates more specific missions and functions among the various educational segments.

This bill would make a technical, nonsubstantive change to this provision.
